

### **Snow Removal 2009-2010**

After careful consideration of the bids for this coming winter's roadway snow removal your Board of Directors awarded the snow removal contract to Lutz Construction which is located here in Garden City.

Resident Board members Jim Ruggles (435-946-8975) and Tom Beardsley (435-946-2616) will be guiding the snow plowing effort. Give Jim or Tom a call with any questions or comments relative to roadway snow removal.

If you wish to have your driveway plowed (at your expense) call Bryce Huefner (435 946-8244) at Bear Lake Landscaping or Darin Pugmire (436 946-8678) at Lutz Construction to make your driveway plowing arrangements.
